A Workshop For The Jazz Vocalist

with
CD

Jazz Phrasing

Dr. Gloria Cooper and Don Sickler

**Includes CD
with
vocal and instrumental
examples + sing-along
rhythm section tracks**

SECOND FLOOR MUSIC

A hands-on approach to fine-tuning important elements of jazz phrasing. This book (with an 85-track CD) allows you to

- **see how the music you hear is notated**
- **hear the melody played instrumentally, accompanied by an experienced jazz rhythm section**
- **hear many of the examples sung**
- **experiment on your own with rhythm section tracks**

A great supplement to *Sing JAZZ!*

Jazz from **SECOND FLOOR MUSIC**
